I have been out at City
and now just time to answer
your letter of 5th

I am perfectly acquainted with our manner. Coin Sales are worked having been personally conducted under Federal & did not think you ought to charge me. Commission of 5% present in the 1798 Hallam under all circumstances. I did not intend you should put the 1798 in sale unless in your opinion it would bring \$5- or more and did not suppose you would ~~when~~ ^{after} I wrote to you. In regard to the being an answer. Since I differ with you and of course buying one of you I do not think I should grumble at what could and do.

that I could buy one any less
of my other dealer at cost
me 5.50

In regard to lot 660
it is evident I made a
mistake my copy says
36 for lot (not cash)

I will say it myself
and stand loss as was
in but sent me to excuse
I have had a chance to
dispose of Canada taken
to Canada papers for
\$5.00 since I sent it to
you so you see I could have
made money holding -

But under the
circumstances you can
afford to throw off some
on 1798 dollar I entered
left for balance less some
a dollar
